# A new concept in affordable living

**Greenwood House** is an exciting new development of contemporary studio apartments for rent designed exclusively for people working in and around Woking. The central location above Woking Fire Station puts the town's shops, bars and restaurants on your doorstep – and makes your daily commute a doddle.

All the 33 modern units are fully furnished and ready to go, meaning you can move straight in.

Suitable for singles or couples, each studio apartment offers comfortable living space and kitchenette facilities. In addition there are shared communal spaces such as fully-equipped kitchens and laundries. Broadband WiFi and secure bicycle parking come as standard.

Tenants each get their own secure storage and there is an on-site concierge to make sure everything runs smoothly.

It offers the ultimate in affordable, convenient, town centre living for people on the go.
