**STATEMENT AS TO DISCLOSURE OF INFORMATION TO THE AUDITOR**

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditor is unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

**ON BEHALF OF THE BOARD:**

Dr B M Maunders - Director

31 May 2018

**STATEMENT OF DIRECTORS' RESPONSIBILITIES  
FOR THE YEAR ENDED 31 DECEMBER 2017**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
THAMESWEY ENERGY LIMITED**

**Opinion**

We have audited the financial statements of Thameswey Energy Limited (the 'company') for the year ended 31 December 2017 which comprise the Income Statement, Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Other information**

The directors are responsible for the other information. The other information comprises the information in the Directors' Report and the Statement of Directors' Responsibilities, but does not include the financial statements and our Auditor's Report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
THAMESWEY ENERGY LIMITED**

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Directors' Report.

**Responsibilities of directors**

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's Report.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2017

1. STATUTORY INFORMATION

Thameswey Energy Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentation currency of these financial statements is sterling.

**Going concern**

The going concern basis adopted for preparing the financial statements is contingent upon the continued financial support of the company's ultimate parent undertaking.

The directors agree and recommend for approval by Woking Borough Council a business plan each year with financial projections which demonstrate that the company can repay its loans and give a return on the investment. The plan is then presented to the Council's Executive and the full Council for approval. Woking Borough Council members adopted the business plan covering the period 2018 to 2021 with an estimated return to profit in 2027. The principal investment return to Woking Borough Council will be achieved via loan margins. For these reasons the directors believe that it is appropriate to prepare the accounts on a going concern basis.

As at 31st December 2017 the company's ultimate parent undertaking is Woking Borough Council. Assurances have been obtained from this parent undertaking that continued financial support will be made available, as required, to ensure that liabilities can be met as they fall due and also that the company has adequate funds to continue its activities.

**Preparation of consolidated financial statements**

The financial statements contain information about Thameswey Energy Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 400 of the Companies Act 2006 from the requirements to prepare consolidated financial statements as it and its subsidiary undertaking are included by full consolidation in the consolidated financial statements of its parent, Thameswey Limited, .

**Turnover**

Turnover comprises the sales value of electricity, gas and other related energy services supplied to customers during the year and excludes sales tax. Turnover is based on the value of units supplied during the year and includes estimates of the value of units supplied to customers between the date of their last meter reading and the year end.

**Tangible fixed assets**

The company's tangible fixed assets are stated at cost and generally depreciated on a straight-line basis over the estimated operational lives of the assets. Borrowing costs directly attributable to the acquisition, construction or production of tangible fixed assets are added to the cost of those assets when incurred, until such time as the assets are substantially ready for their intended use at which time capitalisation ceases. Reviews are undertaken annually of the estimated remaining lives and residual values of property, plant and equipment.

The main depreciation periods used by the company are set out below:

Buildings - Straight line over 60 years

Plant and machinery - Straight line over 15 to 60 years

Assets under construction are not depreciated until ready for use.

NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31 DECEMBER 2017

2. ACCOUNTING POLICIES - continued

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Financial instruments**

Financial instruments are classified as accounted for according to the substance of the contractual arrangements as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the net assets of the company.

Basic financial instruments are recognised at amortised cost. The company has no non-basic financial instruments.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Grants**

Grants relating to fixed assets are treated as deferred income and released to the profit and loss account over the expected useful life of the asset concerned. Other grants are credited to the profit and loss account as the related expenditure is incurred.

**Investments**

Current asset investments are stated at the lower of cost and net realisable value. Investments in subsidiaries are valued at cost less any provisions for any impairment.

NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31 DECEMBER 2017

3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In preparing the accounts, the company is required to make estimates and assumptions that impact on the reported amounts of revenues, expenses, assets and liabilities of the company. Actual results may differ from these estimates. Estimates and judgements pertinent to the company are included below. This critical accounting judgement and key source of estimation uncertainty should be read in conjunction with the full statement of Accounting Policies at Note 2.

**Revenue**

The nature of the energy industry in which the company operates is such that the company's revenue recognition is subject to a degree of estimation. The assessment of energy sales to customers is based on meter readings, which are carried out on a systematic basis throughout the year. Whereby a meter reading is not undertaken before the year end an estimate of the value of units supplied to customers between the date of the last meter reading and the period end is recorded in revenue.

Unbilled revenue is included within accrued income in the balance sheet. At 31 December 2017 this amounted to £167,685 (2016: £189,971)

4. EMPLOYEES AND DIRECTORS

There were no staff or employees directly employed by the company for the year ended 31 December 2017 or for the year ended 31 December 2016. The independent directors are remunerated by parent undertakings for the current and preceding financial years. Staff costs are reallocated from parent undertakings.
