**Directors' Report
FOR THE YEAR ENDED 31 DECEMBER 2019**

The directors present their report with the financial statements of the company for the year ended 31 December 2019.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of property development.

REVIEW OF BUSINESS

The year was one of significant change. The company has been instructed by related companies to undertake significant work on a number of developments, some of which were nearing completion. During the year and post year end the company has faced further challenges including COVID-19.

In light of risks identified and also uncertainties flagged by the auditor, the directors are in the process of reviewing a number of the company's projects and have made provisions for some of them due to unrecoverable costs.

Following discussions with the external auditors, the company has made changes to its project and financial reporting systems, capabilities and controls.

DIVIDENDS

The total distribution of dividends for the year ended 31st December 2019 will be £nil (2018: £nil).

DIRECTORS

T Price has held office during the whole of the period from 1 January 2019 to the date of this report.

Other changes in directors holding office are as follows:

Mrs L K H Strongitharm - appointed 23 July 2019

Cllr A Azad - appointed 26 July 2019

Cllr D J Bittleston and P N Bryant ceased to be directors after 31 December 2019 but prior to the date of this report.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO THE AUDITOR

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditor is unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

ON BEHALF OF THE BOARD:

T Price - Director

8 October 2021

**Statement of Directors' Responsibilities
FOR THE YEAR ENDED 31 DECEMBER 2019**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website.

Independent Auditor's Report to the Members of Thameswey Developments Limited

Opinion

We have audited the financial statements of Thameswey Developments Limited (the 'company') for the year ended 31 December 2019 which comprise the Income Statement, Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to Going Concern

We draw attention to the disclosure made in note 2 to the financial statements relating to the accounts being prepared on a going concern basis having acknowledged the uncertainties that have arisen from both the results of the financial year as well as the impact of the ongoing COVID-19 outbreak. As stated in the note, these events indicate that a material uncertainty exists that may cast doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other information

The directors are responsible for the other information. The other information comprises the information in the Directors' Report and the Statement of Directors' Responsibilities, but does not include the financial statements and our Auditor's Report thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Independent Auditor's Report to the Members of Thameswey Developments Limited

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Notes to the Financial Statements
FOR THE YEAR ENDED 31 DECEMBER 2019**

1. STATUTORY INFORMATION

Thameswey Developments Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under historical cost convention.

Going Concern

The company is financed by way of share capital and loans from the ultimate parent undertaking, Woking Borough Council (the Council). The council's return on its loan investment is achieved by way of a margin on the interest it receives from the company over the interest that it pays on the council's own borrowing.

As part of the Director's review of the going concern status of the company they have carried out a funding commitment review to identify the loans required for the balance of 2021 and 2022 financial year.

The funding identified is included within the parent entity's Medium Term Financial Strategy and all funding has been authorised by the parent entity. If, in the unforeseen event funding is withdrawn a review of projects that can slow down or cease will be required and the Directors are prepared to undertake such a review. The projects have been specifically set up so that they can be stopped or slowed down as and when required if funding becomes a problem. A process of due diligence and frequent refreshes of the model for the projects is carried out to ensure they remain financially viable. These are reviewed by the Directors as well as at board level within the parent entity.

The Directors and the parent entity are aware that in the coming years the entity needs to be supported by the parent entity in terms of cashflow funding requirement and that in order to meet current liabilities and interest costs this funding will exceed in-year profits generated by the company. The Directors have gained the necessary assurances from the parent entity that they will support the company and not demand the repayment of loans and interest to the detriment of the company and have assessed the parent entity's ability to provide the required funding.

For these reasons the directors believe that it is appropriate to prepare the accounts on a going concern basis.

The company has experienced the effect of COVID-19. The company has made adjustments to working practices in order to keep employees and contractors safe.

The directors continue to monitor the impact of the consequences of the virus on the business. At the time of approving the financial statements the directors are satisfied that it is appropriate to prepare the financial statements on a going concern basis.

PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

The financial statements contain information about Thameswey Developments Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 400 of the Companies Act 2006 from the requirements to prepare consolidated financial statements as it and its subsidiary undertaking are included by full consolidation in the consolidated financial statements of its parent, Thameswey Limited, The St Botolph Building, 138 Houndsditch, London, EC3A 7AR.

**Notes to the Financial Statements - continued
FOR THE YEAR ENDED 31 DECEMBER 2019**

2. **ACCOUNTING POLICIES - continued**

TURNOVER

Turnover represents income receivable in respect of the completion of property developments.

Turnover is measured at the fair value of consideration received or receivable and represents the amounts receivable for the property, net of discounts and VAT.

Turnover in respect of long-term construction contracts is recognised by reference to the stage of completion.

When the outcome of a construction contract sale can be estimated reliably in terms of its stage of completion, future costs to complete and recoverability of billings, the company recognises revenue and expenses on the contract sale by reference to the stage of completion of the contract activity at the end of the reporting period. The stage of completion is determined on the basis of the proportion of the contract costs incurred to date over the estimated total costs.

When the outcome of a contract cannot be estimated reliably the company only recognises revenue to the extent of the recoverable contract costs incurred.

Rental income derived from the company's investment properties is recognised in other income. Rental income is based on lease agreements and is accounted for on a straight line basis over the term of the lease.

TANGIBLE FIXED ASSETS AND FIXED ASSET INVESTMENTS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 33% on cost
Fixtures and fittings	- 25% on cost
Computer equipment	- 12.5% on cost

Fixed Asset Investments are shown at cost less any impairment.

INVESTMENT PROPERTY

Investment properties are properties held to earn rentals and capital appreciation.

Investment properties are measured at fair value.

The directors only consider a fair value adjustment to the value of investment properties when they deem it to be significant. The directors annually assess this by reviewing any changes in the rent yield per annum, movements in house price indices, changes in each properties rateable value and through their own knowledge of the local property market.

Gains and losses arising from changes in the fair value of investment properties are included in the income statement in the period in which they arise.

Investment properties are not depreciated.

STOCKS

Work in progress represents on-going developments and is valued at the lower of cost and estimated selling price less costs to complete and sell, which is equivalent to the net realisable value. Work in progress comprises direct materials, sub-contractor fees, site overheads, associated professional fees, other attributable overheads and interest costs.

**Notes to the Financial Statements - continued
FOR THE YEAR ENDED 31 DECEMBER 2019**

2. **ACCOUNTING POLICIES - continued**

FINANCIAL INSTRUMENTS

Financial instruments are accounted for according to the substance of the contractual arrangements as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the net assets of the company.

Basic financial instruments, which include trade and other debtors and creditors, cash and bank balances, amounts owed by and to group companies, are initially measured at transaction price and are subsequently carried at amortised cost. The company only has basic financial instruments.

TAXATION

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

DEFERRED TAX

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

LONG TERM CONSTRUCTION CONTRACTS

Long-term construction contracts are assessed on a contract by contract basis.

The amount by which recorded turnover is in excess of payments on account is classified as "amounts recoverable on contracts" and is included within debtors.

Long term construction contract costs are total costs incurred, net of amounts transferred to the profit and loss account in respect of work carried out to date, less foreseeable losses and applicable payments on account. This balance is classified as "long term contract balances" and is included within stock

Notes to the Financial Statements - continued
FOR THE YEAR ENDED 31 DECEMBER 2019

3. **CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

In preparing the accounts, the company is required to make estimates and assumptions that impact on the reported amounts of revenues, expenses, assets and liabilities of the company. Estimates and associated assumptions affecting the financial statements are based on historical experience and various other factors that are believed to be reasonable under the circumstances. However, the nature of estimation means that actual outcomes could differ from those estimates. Management considers the key sources of estimation uncertainty pertinent to the company are included below:

Investment properties

The directors assess the fair value of investment properties annually, using their knowledge of the local property market, taking into account the nature and location of specific properties. If the directors believe there has been a significant change in the fair value of investment properties they will utilise the services of an independent chartered surveyor. The surveyor values the properties on an open market value basis by reference to market evidence of transaction prices for similar properties and the directors base the valuation of the properties on this work. Whilst established methods of valuation have been used there is an element of estimation involved in determining the fair value of the investment properties.

Amounts recoverable under contract

Turnover related to long-term construction contracts is recognised when the final outcome can be assessed with reasonable certainty. The directors are required to estimate the amounts recoverable by comparing the current costs to date with total budgeted costs, this can be uncertain during the contract term as unforeseen costs can emerge throughout. The directors have used all sources of information available in arriving at the amounts estimated as recoverable under contract, but judgement has been used in arriving at the amount included in the accounts.

4. **EMPLOYEES AND DIRECTORS**

5. **DIRECTORS' EMOLUMENTS**

	2019	2018
	£	£
Directors' remuneration	<u>5,381</u>	<u>5,392</u>

Directors remuneration relates to fees paid to the independent non-executive director.

6. **OPERATING (LOSS)/PROFIT**

The operating loss (2018 - operating profit) is stated after charging:

	2019	2018
	£	£
Depreciation - owned assets	9,988	3,020

Loan interest	<u>363,771</u>	<u>346,242</u>

Notes to the Financial Statements - continued
FOR THE YEAR ENDED 31 DECEMBER 2019

8. TAXATION

Analysis of the tax charge

The tax charge on the loss for the year was as follows:

	2019 £	2018 £
Current tax:		
UK corporation tax	-	109,408
Tax on (loss)/profit	-	109,408

UK corporation tax was charged at 19% in 2018.

RECONCILIATION OF TOTAL TAX CHARGE INCLUDED IN PROFIT AND LOSS

The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

	2019 £	2018 £
(Loss)/profit before tax	<u>(1,079,834)</u>	<u>572,811</u>
(Loss)/profit multiplied by the standard rate of corporation tax in the UK of 19% (2018 - 19%)	(205,168)	108,834
Effects of:		
Capital allowances in excess of depreciation	(7,389)	-
Depreciation in excess of capital allowances	-	574
Losses carried forward	<u>212,557</u>	-
Total tax charge	<u>-</u>	<u>109,408</u>
